

## **Raj Mittra Grant in India (RMGI)**

### **Grant from Raj Mittra Foundation**

Raj Mittra Foundation (RMF) is pleased to announce an all-inclusive travel grant for the International Conference on Microwave, Antenna, and Communication (MAC 2025), which will be held from June 27 to 29, 2025, in Bhopal, India.

### **About the Raj Mittra Foundation:**

The objective of RMF is to support education and research in the field of electromagnetics, particularly computational electromagnetics, with a focus on providing opportunities to the next generation of Ph.D. students.

### **Award:**

RMF announces the Raj Mittra Grant in India (RMGI) for Ph.D. students studying in India, in honour of Prof. Raj Mittra. The award will be presented at the MAC 2025 conference venue. Therefore, the selected awardee is expected to provisionally make arrangements to attend the event.

The award will cover the following for one participant:

- Travel grant (AC III tier train fare or equivalent)
- Conference registration
- Hotel accommodation

The awardee will receive a bank cheque at the conference venue (equivalent to the total cost of the above three items but not exceeding INR 25,000).

### **Eligibility Criteria**

Ph.D. candidates currently enrolled in Indian institutions and working in the field of electromagnetics may apply. The selection will be based on the applicant's biodata, publication record, Ph.D. research plan, and the accepted paper at MAC 2025. Preference will be given to work addressing fundamental physics and/or mathematics of engineering electromagnetics.

Applicants must meet the following criteria:

- Completion of at least two years in the Ph.D. program by the last date of application.
- The Ph.D. degree (including provisional) must not have been awarded by the last date of application.
- Acceptance of at least one paper at MAC 2025, with the applicant listed as the first author.

### **Application Procedure:**

Applicants must submit the following documents:

1. A brief resume (maximum two pages)
2. List of publications (only SCI [Extended] indexed journals and international conferences)
3. The accepted MAC 2025 paper (with the applicant as first author)
4. A copy of the MAC 2025 acceptance notification
5. A brief description of the planned Ph.D. research work (maximum one page)
6. An official document confirming the date of enrolment in the Ph.D. program
7. A recommendation letter from the Ph.D. supervisor
  - This letter must confirm that the applicant's Ph.D. degree (including provisional) will not be awarded by the application deadline.

### **Application Deadline**

Applications must be emailed to the program coordinators at [maifuzali@hotmail.com](mailto:maifuzali@hotmail.com) with "RMGI" in the subject line, **no later than June 15, 2025**.

The selected candidate will be notified by **June 25, 2025**.
